Does this addendum add/or change vendor(s) information? (i.e. vendor name/address, contact information, and/or award amount, etc.)?
No

Notice Expiration Date: 10/09/2012 MM/DD/YYYY

Sole Source Only Justification: Design services are required for the construction phase at Governor's State University. This project was awarded in 2002. The project was put on hold in November 2004 and released to go forward again in 2010. The current contract expires November 24, 2012 when the statutory requirement (30ILCS 500/20-60) for the maximum duration of a contract is prevented from exceeding 10 years. The impact to the State of Illinois would be of increased costs if the contract were not approved and another vendor were selected to continue the project. Ongoing construction would be stopped, a new A/E would demand a redesign, thus creating increased costs to the State including monies already paid to the current vendor.

Accordance with Admin Rule: < Compatibility of equipment, accessory, parts, or service is paramount consideration, < Critical changes to existing contract are necessary and best accomplished by contract holder

Professional & Artistic: No
